AHEAD OF THE PACK

The sun shines on the Weekender state of mind if you pack right. Here's what you absolutely need to carry before you come down to the happiest music festival.

- A light jacket (Winter is coming and evenings could get chilly. Be prepared yo!)
- Comfortable footwear (so you can walk between all stages all day)
- e-ticket/SMS of your ticket (Internet might be choppy, so plan ahead) Open your e-ticket on the Insider app which works even without network!
- Valid govt. issued photo ID (letters of character from your grandma won't do, sorry)
- A book or two to donate. We're working with Sarvahitey, an NGO that builds libraries across India, so do your bit, give a few books away!
- Yourself (this is SUPER important. Be sure you're there or else massive FOMO will happen when the bands hit the stage)

HERE'S WHAT YOU SHOULD LEAVE BEHIND

- **CIGARETTES**
  Loose cigs and vapes (fully sealed packs are allowed, you can buy them inside too)
- **ALCOHOL**
  No outside drinks allowed (We have multiple bars, and a discount when you reuse your cup)
- **ILLEGAL DRUGS AND OTHER SUBSTANCES**
  No funny business. Be cool yo, be cool
- **YOUR TROUBLES**
  3 days of fun guaranteed if you do this right

ALL PACKED?
ONCE YOU'RE READY, A TRUE WEEKENDER WARRIOR REMEMBERS THESE POINTS.

THE VENUE IS: Mahalakshmi Lawns, Nagar Road, Near Kharadi Bypass, Pune.

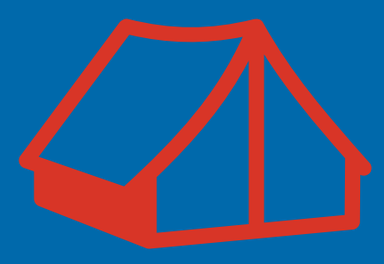

CLICK TO SEE!

We've got almost as many cuisines as there are genres on stage. So make sure your taste buds get to have a trip too!

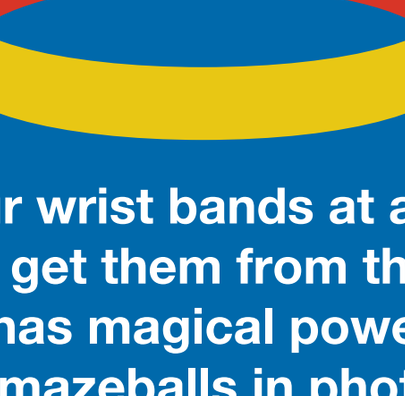

Wear your wrist bands at all times once you get them from the box office. It has magical powers like looking amazeballs in photos and causing intrigue among friends. It ALSO gives you entry to the festival. Without it, FOMO will become actual MO.

Head to the safe space tent if you have any issues related to mental health, gender, sexuality or harassment. We're here for you. We're here to help.

in collaboration with skrap

Segregate your waste. Look out for the proper signs when you toss something aside. Because we're Making Festivals Green Again!

Shirts and badges and bags, oh my! Take home a piece of the Weekender state of mind by checking out our official merch stalls in the bazaar section at the festival.

Once you buy your drink at the bar, hold on to your cup. Not that it's supercool to look at (it is, FYI) but **you also get a cool discount at the bar every time you reuse it.** Yup, we're getting lit and saving the planet at the same time this year!

CUPABLE

Save the environment by buying a drinking water cup from Cupable, and get access to free drinking water on all 3 days! (if you show the cup, ofc)

SAFETY. PINNED.

We’re here to hear. If anything at all is bugging you, look for the guys in the orange neon vests. They’ll sort you out, stat.

The medical tent is equipped to deal with anything just in case. If you need to lay your head for a bit, or if something’s not sitting right (or let’s face it, you had a *little* too much fun), you can find it near the entrance.

WE’RE WHEELCHAIR FRIENDLY!
BACARDÍ NH7 Weekender is a wheelchair - friendly festival. We urge you to bring all the equipment you may need for it to be a comfortable experience. Additional wheelchairs are available for hire at the medical unit on a first-come-first-serve basis. All stages will have viewing platforms. Ramps leading to viewing platforms ensure ease of mobility. There are no chairs on any viewing platforms however you may carry your own.

All stage areas use heavy lighting and effects and special guests are advised to be prepared for it.

Our volunteers are constantly available to help. So just give them a shout out if needed.

HAPPY HOURS @ THE HAPPIEST MUSIC FESTIVAL?

SAY WHA?

All bars will have 1+1 on drinks between 4-6pm.

Getting there late doesn't seem so fashionable now, right?

SO MANY DRINKING EXPERIENCES TO CHOOSE FROM. YOU JUST GOTTA #DoWhatMovesYou

We're going back to where we all began. 10 years ago the happiest music festival was born, and the music scene in India was never the same. BACARDÍ is celebrating with a special pop up bar dedicated to one decade of the Weekender state of mind.

WAIT FOR 8 - THE HOUR OF OCHO

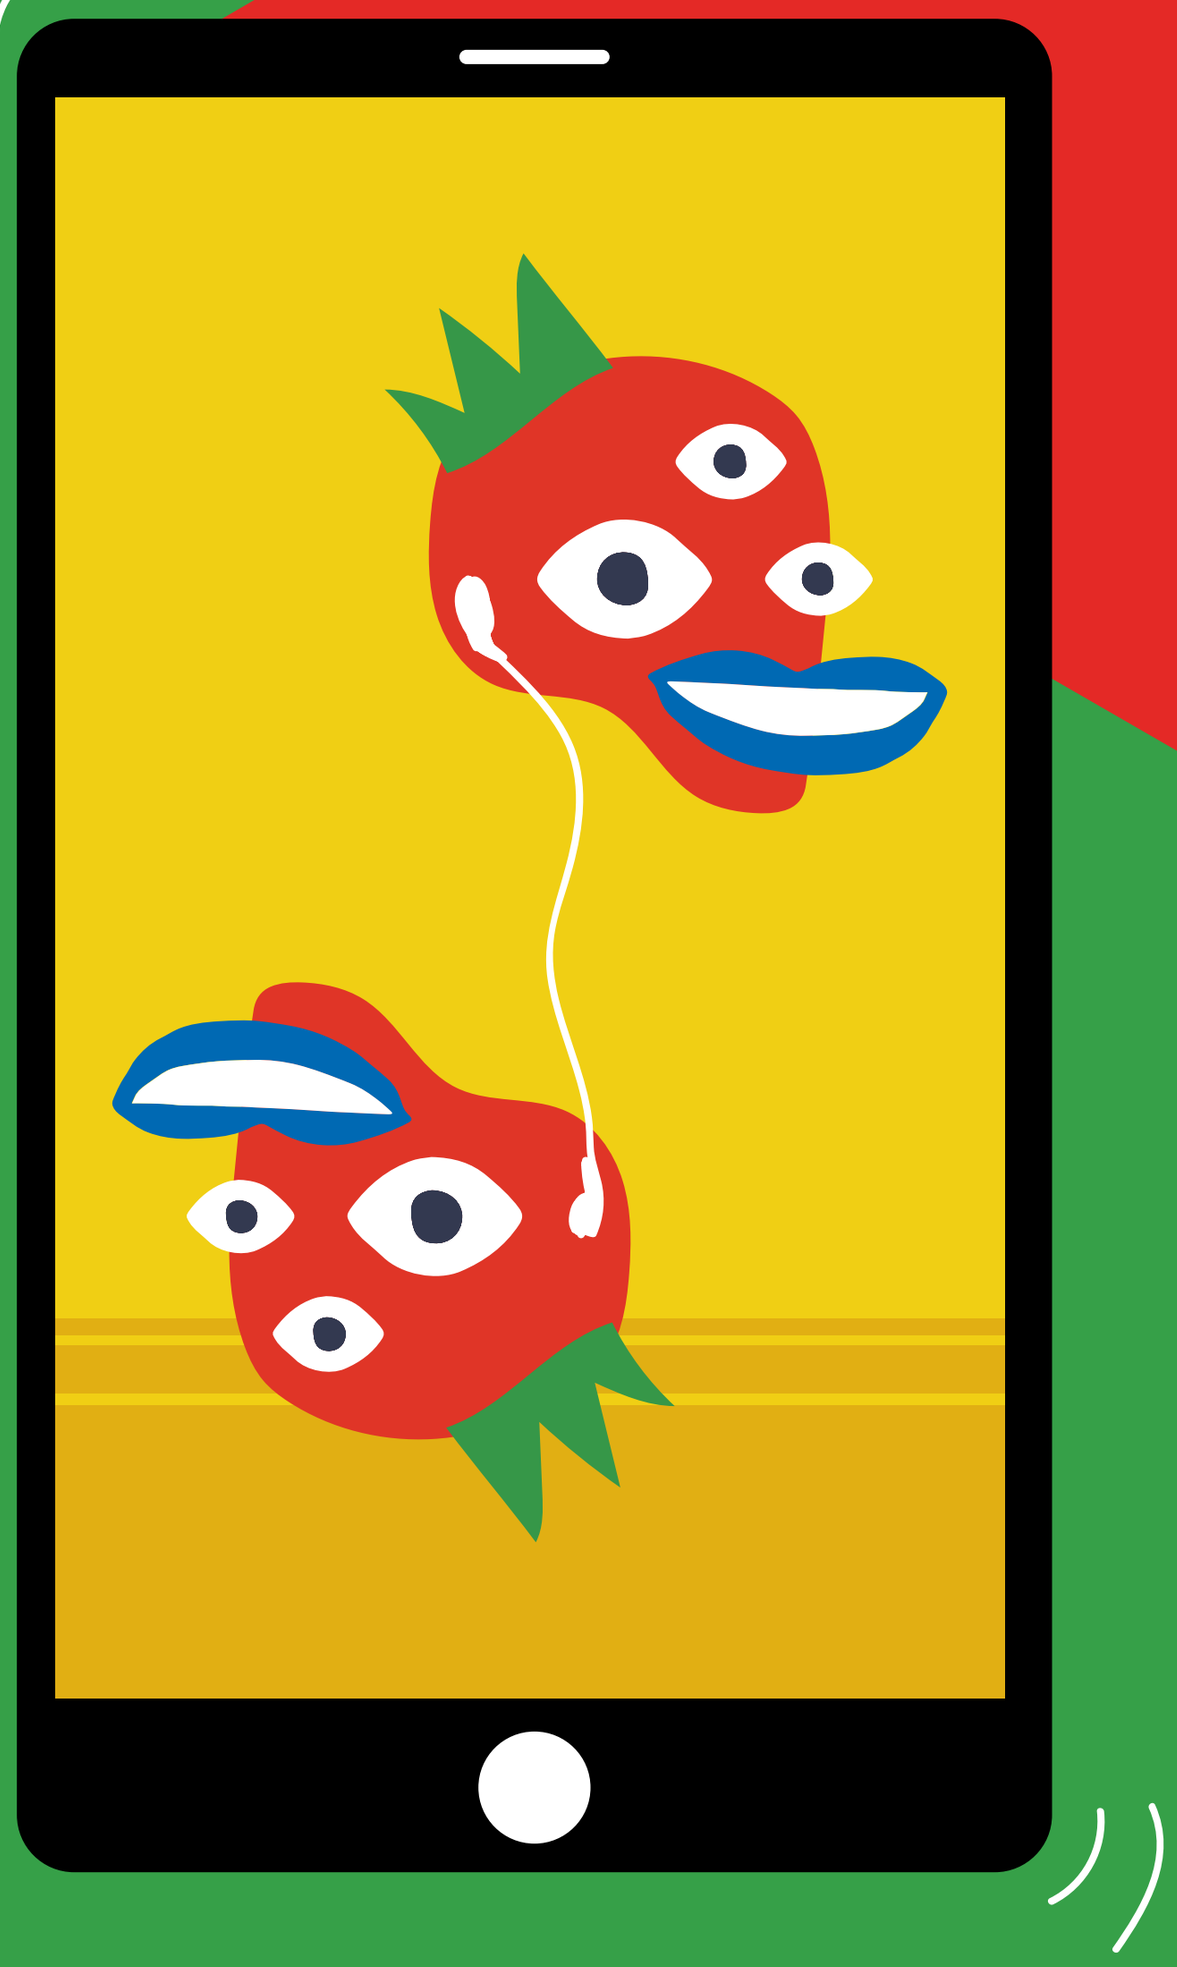

BACARDÍ OCHO is landing in India for the first time ever. When the clock strikes 8, #DoWhatMovesYou and head over to the CASA BACARDÍ Zone and look for the 8 sign because from 8-9 pm, we're serving special drinks made with Ocho - an eight year old golden sipping rum aged under the Carribean sun.

gaana
